PediOrtho WEST Resident Course

October 5-6, 2018

**Shriners Hospitals for Children – Northern California
2425 Stockton Boulevard · Sacramento, CA**

Shriners Hospitals for Children – Northern California proudly invites orthopaedic residents to participate in the inaugural **PediOrtho WEST (Western Education & Surgical Techniques) Resident Course** on Friday and Saturday, October 5 & 6, 2018. The course is presented in cooperation with the **OrthoPediatrics Foundation for Education and Research (OFER)**.

About the Course

The course will provide residents with training in a variety of pediatric orthopaedic surgical techniques through both didactic instruction and hands-on skills labs. The course is designed to provide early exposure to the field of pediatric orthopaedics.

Faculty

The course will be led by pediatric orthopaedic surgeons from Shriners Hospitals for Children / University of California Davis, Stanford University, University of California San Francisco/Children's Hospital of Oakland, and Valley Children's Hospital.

Target Audience

The target audience is PGY 2 and PGY 3 residents.

Enrollment & Registration

Enrollment will begin in Spring 2018 and is limited to 30 residents. Acceptance is on a first-come, first-served basis. Thanks to OFER's generous support, there is **no fee to attend**.

For registration information and course details, go to <http://shrinerschildrens.org/PediOrthoWEST/>
